

## 100,000 Homes Campaign Chicago: Donations Committee

### *Purpose:*

The goal of the Donations Committee is to secure the donations that will support Registry Week and the Chicago campaign in general. Members of the committee will identify potential supporters and actively seek donations. Donations provide a critical support to the campaign and ultimately will determine the capacity of its efforts.

### *Tasks:*

Members of the Donations Committee will perform the following tasks at meetings:

- Identify possible sources for donations for the campaign
- Collaborate with potential sources in order to obtain commitments
- Design and provide materials to be circulated among the Leadership Team and Committees requesting donations
- Invite donors to final day of Registry Week for recognition
